Dear Mr Duffy

MASTER BUILDER OF THE YEAR AWARDS 2005

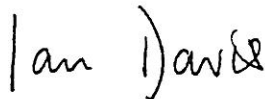

I am pleased to let you know that Mr Tinkler has nominated your company for the prestigious Master Builder of the Year Awards. Your nomination will now be reviewed and a 'long list' of projects will be visited. Our regional office will contact you to make arrangements for any such visit. You may also be contacted by the Awards' PR company, Ridgemount PR.

Long listed projects are considered by the full Regional Judging Panel that comprises representatives of the sponsors, as well as professional builders and designers. They will decide upon the regional winners who then go forward to compete for the national awards. If your firm is a regional winner, you will be invited to be our guests at the Gala Awards Luncheon at the Chesford Grange Hotel in Warwickshire on Thursday 8th September 2005.

Builders who win a national award and their nominating client will each receive a two day break at a luxury Paramount Hotel of their choice**. The overall Master Builder of the Year, chosen from amongst the national winners, will win a Nissan Light Commercial Vehicle of their choice and their client will win a £3,000 holiday of their choice.

Good luck in the next steps of the awards.

Yours sincerely,

Ian Davis
